The Gardens are among the many attractions of the beautiful watering-place of Torquay. There are several of these gardens in the town, where nature has been assisted by art, and the ground laid out with carefully-kept turf, leafy shrubberies, and brilliant parterres. Among these are the Terrace Gardens and Princess Gardens close to the Pier, and Ellacombe Green and Torwood Gardens further inland.

Printed in England.

Good parcel goes off tomorrow (Thursday). Why not write the Station master at Truro & ask if there are [illegible] to Falmouth.
